## Szanowni Państwo,

Tegoroczne MKO uważam za sukces, gdyż osoby niedopuszczone do egzaminu można policzyć na palcach jednej, porządnie wybrakowanej ręki (na czerwono). 6 osób jest dopuszczonych do egzaminu (na żółto) pod warunkiem, że razem z wynikiem z laboratorium otrzymały 30 punktów. Pozostałe osoby mają ćwiczenia zaliczone.

## Pozdrawiam i życzę szczęścia we wszelkiej maści wyzwaniach! PB
